

Surgeway

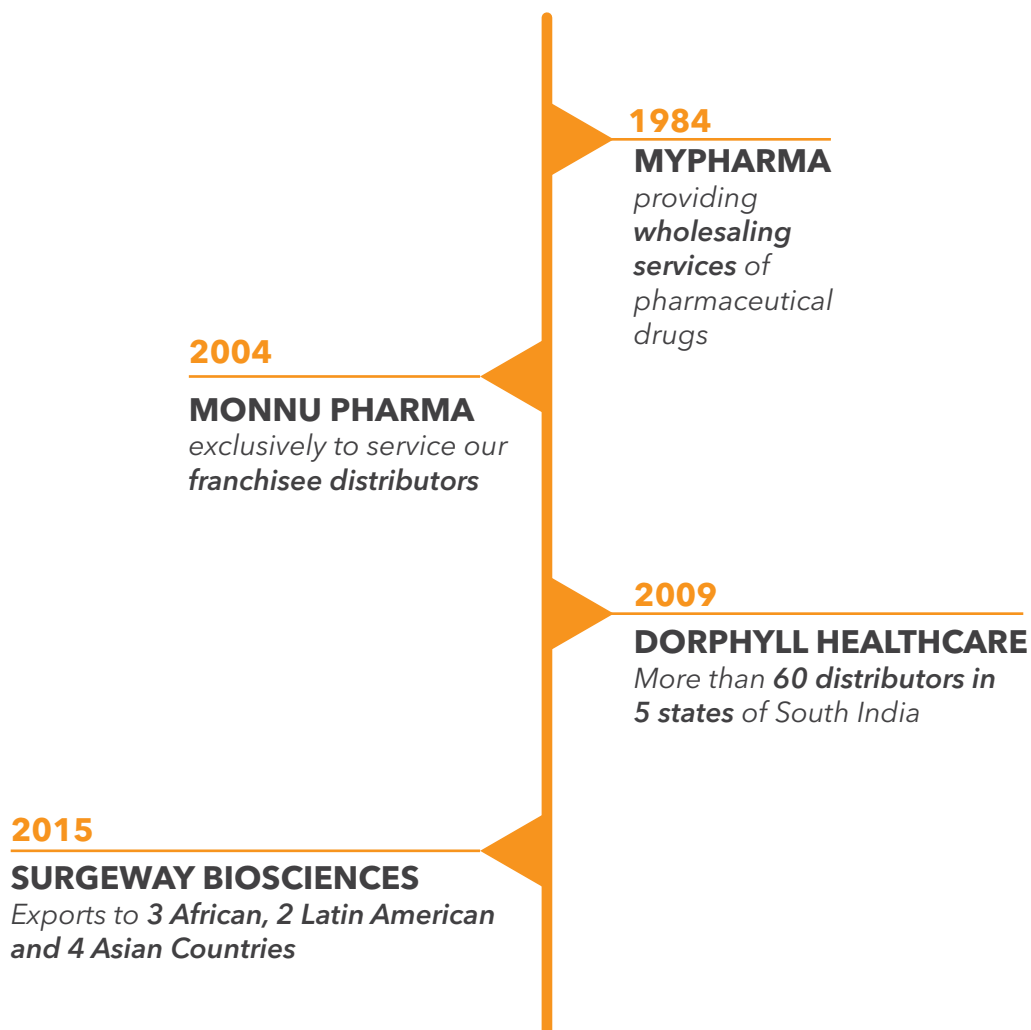

INCREASE YOUR
INTERNATIONAL BUSINESS BY PARTNERING WITH US

About Us

SurgeWay Biosciences is a pharma export house with an increasing presence in many countries. The company is part of a larger group which has been in the Pharmaceutical Industry for the past 32 years/since 1984. Here's our journey:

Vision & Mission

VISION

Achieve Leadership in healthcare by satisfying everyone globally connected to us

Our Mission is 3-fold.

PRODUCT MISSION

To provide the best quality in pharmaceuticals and nutraceuticals, and ensuring that our commitment and strong business practices enable us to continuously evolve in the future, thereby enriching people's lives

ECONOMIC MISSION

To operate sustainably, show steady profit growth, increasing value for stakeholders, expanding opportunities for development and career growth for employees

SOCIAL MISSION

To recognize our responsibilities, execute them, and encourage innovation towards improving the quality of life globally

Medicine is a science of uncertainty
and an art of probability.

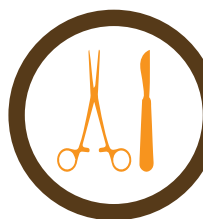

-William Osler

- A thorough analysis and certification of finished products is done.

We are committed to ensure that every product we manufacture and distribute conforms to accepted standards of quality, efficacy, purity and safety.

Each product of Surgeway is of the highest quality, and conforms to the highest international standards.

International Business

This is Hitesh and I am the Vice President of Surgeway Biosciences.

For the last 3 decades, we have worked professionally towards the goal of delivering quality healthcare products. We believe in the **QIA** methodology - **Q**uality in **I**nnovation for **A**ffordability.

Surgeway **manufactures** and **markets** its products globally with the experience of the senior management, which is equally matched with the enthusiasm of the younger generation. We have a wide range of products, and we are **aggressively** bringing new and exclusive products to the market.

We regularly manufacture our products from our own/partnered facilities which are:

- GMP/cGMP approved
- WHO certified
- Approved by the Pharmaceutical Boards of various African Countries
- Approved by the Pharmaceutical Boards of various East Asian Countries
- MHRA(UK) approved
- EU-GMP approved

We are looking for **associates** who are willing to partner with us in their respective countries. Please get in touch with us for export **opportunities** to your country. You name the country; there is a good chance that once our **due diligence** comes through, we will export to that country.

Here's wishing you a **happy** business relationship!

Wherever the art of medicine is loved, there is also a love of humanity.

- Hippocrates
